

# HELP US BUILD HERITAGE PARK

Join local volunteers as we cut, peel, and stack invasive black locust from behind the Middle School, along the Ice Age Trail. The logs will be used to construct playground components for Heritage Park. No experience needed and all are welcome. Chainsaw Safety Certified sawyers will be doing the cutting. Lunch will be provided.

Questions? Contact Luke Klobardanz  
([lklobardanz@gmail.com](mailto:lklobardanz@gmail.com) or 608.206.3086)

When: April 21 from 9am - 4pm

Where: Meet at the Middle School parking lot
