

Lead Practitioner

****NOT APPROVED FOR DELIVERY**

- WE EXPECT IT TO BE RELEASED END OF JANUARY 2018**

The Lead Practitioner in Adult Care will guide and inspire team members to make positive differences to someone's life when they are faced with physical, practical, social, emotional or intellectual challenges.

They will have achieved a level of self-development to be recognised as a lead practitioner within the care team, contributing to, promoting and sustaining a values-based culture at an operational level. They will have specialist skills and knowledge in their area of responsibilities which will allow them to lead in areas such as care needs assessment, occupational therapy, physiotherapy, rehabilitation and enablement, telecare and assistive technology. They will be a coach and mentor of others and will have a role in assessing performance and quality of care delivery.

Lead Practitioners in Adult Care may work in residential or nursing homes, domiciliary care, day centres, a person's own home or some clinical healthcare settings.

Course contents

The Level 4 Diploma in Adult Care features 12 mandatory units and then a wide range of optional specialist and competence units. These cover areas including dementia, Parkinson's, public funding, autism, assistive technology, appraising staff performance and assessing needs.

Alongside the Level 4 Diploma, the new learning delivered as part of the Standard will improve your knowledge and skills in:

- Tasks and responsibilities
- Dignity and human rights
- Professional development
- Communication
- Safeguarding
- Health and wellbeing

You will have to undertake the Disclosure and Barring Service process and provide the result. The Care Certificate must also have been completed; it will be built into your programme if not held.

Funding

Those holding LMA or RMA will not qualify for funding for this course. Services registered with NMDS can claim Workforce Development funds against completed units - your

Funding cap
£5,000
