

PLAINVILLE WINGS & WHEELS

MISSION STATEMENT

Through our love of airplanes and classic cars, provide a family oriented venue showcasing Robertson Airport and serving worthy charities in our local community.

***On Saturday June 13th, 2015 the
4TH Annual Plainville Wings and Wheels Fly-In and Classic Car Show will be held!***

The goal of this event is twofold; the first is to raise funds for the Petit Family Foundation and the Plainville Community Food Pantry. The second goal is to bring the residents of our community and surrounding towns together and offer a day of entertainment and family fun with opportunities to see and experience the world of flight and classic automobiles.

The Petit Family Foundation provides grant funding to "foster the education of young people, especially women in the sciences; to improve the lives of those affected by chronic illnesses; and to support efforts to protect and help those affected by violence".

The Plainville Community Food Pantry provides food subsidies, energy assistance, crisis intervention and referral services for individuals and families in need.

The event will be supported by patrons and sponsors who will donate financially, offer the use of items or services that will be needed during the show, as well as through their participation as volunteers during the event.

The Plainville Wings and Wheels Committee is now advertising this event locally and throughout the state, as well as to pilots in surrounding states. We have secured commitments of support from The Petit Family Foundation, The Plainville Community Food Pantry, the Plainville Police Department, Carling Technologies, the Plainville Aviation Commission, Interstate Aviation, Bristol Auto Club and others.

The event will be held between the hours of 10:00 a.m. and 3:00 p.m. on Saturday June 13th, 2015 with a rain date of Sunday June 14th, 2015. Admission is \$5.00 for adults, \$2.00 for kids 5-11 and kids under 5 are no charge. Parking for the event is free. On-site parking will be available at Robertson Airport, with overflow parking at the Middle School of Plainville. Shuttle buses will be provided to and from the event. Please visit our website for more information:
