## Buttercup Class

Linden Waldorf School's Buttercup class is a treasured experience for families where young children – accompanied by a caregiver and guided by a Waldorf teacher – enjoy a rhythmic morning of song, movement, organic snacks, storytelling, puppetry, nature walks, and free play. The unhurried pace of the Buttercup experience provides an opportunity to slow down, enjoy our children and each other, and bring a precious moment of peace into our lives. As a condensed model of our early childhood classrooms, this weekly class serves to familiarize interested families with Waldorf Education.

Approximately eight families participate in each class. Children will benefit most from this program if they are 1½ years to 3 years old.

## Session Dates

Registration is filled on a first-come, first-served basis. Please send in your registration as soon as possible to reserve a place in the class.
