

The Plainville PumpkinFest

A Community Event to Benefit: The Plainville Community Fund

Hello!

It's time for our **4TH Annual Plainville PumpkinFest on October 20TH** and everyone in town is still buzzing about last year's fabulous event!! The main theme of our event is all about lighting up Carved Pumpkins come nightfall, so we need to cover the downtown with loads of them. Admission is **FREE** to everyone; we're just asking people to bring a carved pumpkin.....the more the merrier!

So here's why we need your support.....we never want to charge our guests to come experience downtown Plainville. We believe that this should always be a **FREE** event for our families & friends to enjoy a fun-filled, festive, autumn PumpkinFest in their community. Although we are very fortunate to have the support of our Town, local businesses and a bunch of wonderful volunteers to help put this event on, there are always those expenses that need to be paid to make the event safe & comfortable for everyone. AND not to mention, we also want to make a little money to donate to our wonderful "Plainville Community Fund" who does so much for charitable projects and programs in our community to help enhance the lives of our residents. So, that's where YOU come in.....any level of donation is truly welcome and of course, we'll do all we can to advertise the heck out of your business before, during and after the event!!!!

"THE GREAT PUMPKIN" Event Sponsor..... \$1,000 _____
