## DAY 1 – KAPAMA PRIVATE RESERVE

Arrival in Johannesburg – Welcome to South Africa!

On arrival in Johannesburg guests are escorted to their charter aircraft for their 1 hour flight to Hoedspruit. (Catering on board).

### **Kapama Reserve**

Kapama Private Game Reserve, with its portfolio of luxurious safari lodges, occupies a vast area between the northern Drakensberg mountains and the Greater Kruger National Park and is the largest single-owned game reserve in the region.

The adjacent Eastgate Airport (Hoedspruit) is perfectly situated to receive guests flying in from either Johannesburg or Cape Town, and Kapama includes free transfers in open safari vehicles directly to any of the four lodges on Kapama namely River Lodge, Buffalo Camp, Karula and Southern Camp. Africa's Limpopo province in which Kapama is situated is renowned for its wildlife and includes areas such as the well known Kruger National Park.

On arrival at Hoedspruit Airport, Kapama Rangers welcome and greet guests before assisting them onto open safari vehicles for the short transfer to the lodge.

On arrival at the lodge a buffet lunch is served in the thatched dining room, before check in.

***Room Gift on Arrival:*** Day safari pack with cap, sunblock, insect repellent and wet wipes.

Time at leisure to relax and unpack or have a cool swim in the lodge pool.

At around 3:30pm, everyone gathers for a decadent high tea, before heading out with your ranger for the afternoon game drive through the reserve. En route, you'll stop for a sundowner drink and will have a chance to stretch your legs as you watch the sun set over the distant peaks of the Drakensberg mountains.

## DAY 1 – AFTERNOON SAFARI WITH BOMA DINNER

As the sun sinks, we stop to enjoy a sundowner drink and snacks in the bush.

As darkness falls, the nocturnal animals of the bush come out. The skilled tracker will scan the landscape using a spotlight, which illuminates animals' eyes. A variety of completely different species can be seen on the night drive back to the lodge

As darkness descends we enjoy a night drive before returning to the lodge to refresh before dinner.

### **Special Boma Dinner**

We meet in the cosy bar for pre dinner drinks before moving to the Boma which has been specially set up for the group. An African choir welcomes guests with their beautiful voices and leads them through to the Boma for dinner.

As in classic old Africa, evening meals are often enjoyed seated around a roaring fire which is epitomised by a dinner set in the Lodges open air Boma, under a star-studded African night sky. The experience adds enchantment to any African luxury safari experience. The cuisine is prepared using fresh seasonal ingredients and herbs grown in the lodge gardens.

Traditional South African dishes and accompaniments, such as mealie pap (African-style polenta) and chakalaka (a hot, spicy relish) further enhance the luxury game lodge experience by giving a taste of real Africa. Menus include warthog stew, kudu casserole, impala sausages and oxtail curry. Vegetarians, vegans and various other dietary requirements are easily catered for.

During dinner an African Marimba Band entertains with their pulsating and vibrant music.

## OPTIONAL: PHOTOGRAPHIC COMPETITION AND WORKSHOP WITH A WELL KNOWN WILDLIFE PHOTOGRAPHER

Taking great wildlife photos is not as easy as it looks. There is a lot of thought and time that goes into producing those great images that we see around us. Not only does one need creativity and technical knowledge but also a knowledge and understanding of subject matter.

A well known South African Wildlife Photographer will meet the group during tea on the first day and do a short 15 minute talk on Wildlife Photography and offer a few great tips! He will also tell this a little about the Competition.

During the evening game drive, guests are encouraged to take their best photos. During dinner, he will go from table to table to interact with the group, have a look at their best picture of the day and give them a few tips. After the following morning game drive, a 2 hour photography workshop will be held between 11h00 and 13h00.

The Photography Workshop aims to reveal more of the thought processes behind the making of good wildlife photographs and at the same time gives photographers time and opportunity to put these thoughts into action in the field under the guidance of an experienced photographer. He will discuss the various elements that would combine to make up a good nature photograph. Participants will spend mornings and afternoon in the bush looking for photographic opportunities followed by a lecture each day and constructive criticism of any digital photos taken during each activity.

After the 3<sup>rd</sup> morning game drive those that would like to enter the competition submit their best picture.

An exhibition of the top 20 photographs will be enjoyed by the participants and they will have the opportunity to vote during pre dinner drinks. The Photographer will announce the winners after dinner and award a prize to the top 3!

## DAY 2 – KAPAMA RIVER LODGE

The day starts with an early wake-up call between 5am and 5:30am. Tea, coffee and rusks are enjoyed together before heading out at first light. Halfway through the game drive, there's a stop for hot drinks and snacks, before returning to the lodge at around 9am for a full breakfast.

On the return to the lodge, a hearty breakfast is enjoyed in the lodge dining room. After breakfast take a nature walk with your Ranger, relax around the pool or enjoy a spa treatment or one of the many activities the lodge has on offer for your account.

Lunch is served at your leisure.

Throughout the day, it's likely you will see wildlife around the lodge – nyala antelope and vervet monkeys are frequent visitors, though seeing some of the Big Five is also not uncommon.

In the late afternoon guests head out for the evening safari.

### **Dinner in the River Bed in front of the Lodge (Exclusive Use) – or *Bush Dinner can be chosen***

As darkness descends, the sound of African drums is heard and on arrival at a special area set in the bush, guests are greeted by African Drummers. Welcome drinks are served before being seated at tables forming a semicircle around the central bonfire. With the sound of drums and stars forming a canopy overhead, guests gather for a typical African barbecue that brings them tantalizingly near to the mysterious night world of the African bush. Lighting enhanced by paraffin lamps and numerous small fireplaces creates a tremendous warm atmosphere.

Traditional African and International cuisine is served from big fires, offering everything from grilled meats to traditional stews, accompanied by fresh salads and home-baked breads. The highlight of the evening is a group of African Dancers. They perform their high energy, powerful dance routine of traditional singing and dancing. Guests also enjoy a spectacular ethnic display of stick fighting.

**Optional: African Drum Circle** - Africa is the drum continent of the world and amongst ethnic Africans, drumming has always been the most fundamental group activity for communication and community. *The power of drumming together will awaken the energy, passion and enthusiasm of the group and the spirit drumming together creates bonding and well being!*

## DAY 3 – PANORAMA ROUTE + ARRIVAL CAPE TOWN

After an early breakfast at the lodge, check out and depart along the scenic Panorama Route by coach.

The Panorama Route along the Mpumalanga escarpment is both pleasurable and picturesque to drive as there is so much to see.

We continue in a loop past three exceptional viewpoints on the edge of the Mpumalanga Drakensberg escarpment. Firstly, you will arrive at the Pinnacle, a freestanding buttress of rock which rises vertically out of dense indigenous forest like a natural skyscraper. Two separate viewing decks give you different perspectives of this regal scene.

The name sets high expectations, but God's Window is an extraordinary place that truly lives up to this billing. A steep footpath leads you to a 900m high viewpoint perched on the edge of the escarpment, where the entire Mpumalanga Lowveld stretches spectacularly out below you in all directions. On clear days, one can see all the way to Mozambique, over 200km away. It is impossible to capture the breath-taking grandeur of this view through the lens of a camera, but a panoramic setting will get the closest to achieving this. Wonder View can be found 2km further along the R534. At 1730m above sea level, this is the highest viewpoint on the Panorama Route, and delivers a vista of the Lowveld that is just as sensational as the one at God's Window.

We travel through extensive pine forest and indigenous grassland to the first landmark sighting on your trip. Quirkily named after the scores of Scottish miners who panned for gold in the gorge, the river flows over a rock ledge into a crystal clear rock pool where visitors can take a refreshing plunge in the chilly mountain water. A backdrop of grassland and blue mountains complete this pretty picture.

We then visit Mac Mac Falls, the first of many waterfalls along the Panorama Route. With a rumbling audible in the distance, a walkway leads you past local vendors, along the Mac Mac River gorge and to a viewpoint, which reveals the spellbinding source of the noise. This vantage point gives a bird's eye view of the impressive twin waterfalls as they plummet 70 metres, meeting the pool below with a terrific thundering crash. The waterfall was initially one stream, but gold miners blasted it in an attempt to prospect the rich gold-bearing ridge over which it plunges. It's hard to get enough of this spectacle, but the Panorama Route has plenty of wonders still in wait.

We stop in Dullstroom for a late lunch before continuing on to Johannesburg. On arrival in Johannesburg Airport in the early evening, we check in for our flight to Cape Town.

## DAY 3 – WELCOME TO CAPE TOWN

Late evening arrival in Cape Town.

### **Welcome to Cape Town**

Dias called it the Cape of Storms. Drake said it was “the Fairest Cape in the whole circumference of the earth.” For first time visitors it is love at first sight. Unpredictably moody, unbelievably serene - that’s Cape Town.

With its majestic Table Mountain backdrop, Cape Town is one of the most beautiful cities in the world...it is cosmopolitan, complex and compelling where every day offers a multiple choice of enjoyment: new views, scenery that stretches beyond your imagination and a colorful patchwork of cultures.

On arrival in Cape Town depart for a half-hour transfer through the City to the hotel.

On arrival at the hotel, guests are offered a welcome drink before checking in.

We meet for a 3 course dinner in the hotel restaurant.

***SUGGESTED ROOM DROP:*** Welcome Basket filled with locally produced crafts, tea and foodstuffs.

Guests enjoy breakfast at the hotel.

Depart for Table Mountain where we will board the famous rotating Table Mountain Cableway to reach the summit of Cape Town's landmark. The mountain is sculpted from sandstone and it rises 1086 meters above the bay. Its flat summit measures nearly 3km from end to end. It is home to approximately 1470 species of plants. The exhilarating ascent of Cape Town's Table Mountain is a must as it provides breathtaking views over the city and its beaches. Take a walk along the mountain's flat surface with your guide or at your leisure before descending in the cable car and departing on a journey through the city of Cape Town.

The group are welcomed by African ladies with sparkling wine. While they enjoy a finger lunch they are entertained by a local all male Acapalla Group.

Take a walk along the mountain's flat surface with your guide or at your leisure before descending in the cable car and departing on a journey through the city of Cape Town

**Green Market Square:** You cannot visit Cape Town and not visit one of its oldest markets, set on a cobbled square between Short and long Market Streets. This is where Capetonians have been buying their clothing, jewellery and crafts for years, and, whilst the face of the market may have changed a little - African curios now predominate - there is still an exciting buzz as well as evidence of the city's most colourful and eccentric characters.

**Bo Kaap:** The name Bo-Kaap translates into "Above Cape". The area was previously called the "Malay Quarter" and used to house the many slaves brought in, mainly from Java, in the 17th and 18th Centuries.

**The Company Garden's:** The Company's Garden is a green jewel in the heart of a vibrant, bustling metropolis that is the remaining half of a fresh produce garden planted in the 1650s by the region's first European settlers. The South African Museum and Planetarium, The National Arts Gallery and the extensive South African Cultural Museum and St. George's Cathedral all have doors that open onto the Gardens.

Enjoy lunch in the heart of Cape Town in the lush oasis of the Company Gardens. (Weather Dependent)

Return to the hotel after lunch. Afternoon at leisure to enjoy the Waterfront.

## IMAGES TABLE MOUNTAIN AND CITY

## DAY 4 – DINNER AT POT LUCK CLUB

We meet and transfer to the less touristy part of Cape town for dinner at The Pot Luck Club.

The Pot Luck Club, situated on the top floor of the Silo of the Old Biscuit Mill on Albert Road, Woodstock has been dubbed the coolest place to be in Cape Town and its success is based on innovative cuisine, served in a relaxed yet edgy environment in a part of Cape Town that has never attracted an evening dining crowd.

The focal point which has become signatory is the open plan kitchen which is illuminated by studio lighting giving the impression of a stage. At the centre of this striking stage is any professional chef's dream, a 1.4 metre Robatta grill and range of Power woks. These are the engines that drive the majority of Pot Luck's hot dishes imparting authentic flavours and colour.

Drawing from the best of the original Pot Luck Club situated right next door to the world renowned test kitchen, the restaurant features the very popular plate-sharing concept. Sharing-plates are cleverly divided into flavour profiles: salty, sour, bitter, sweet and umami. Assisting with this unique menu, a team of highly trained floor staff will be on hand to guide patrons through their tailor-made experience.

Pot Luck's food and menus are based on the inspiration the Chef has gained from his extensive travels to South America, Europe, Asia and Africa. The food is ever evolving and new dishes are developed on a regular basis.

Guests enjoy a food extravaganza!

Return to the hotel in the late evening.

Shucked and served au naturel you have the option of adding a dash of Tabasco, a dribble of lemon juice and a sprinkling of freshly ground black pepper to spice up the plump, creamy oysters. All that's left for you to do is slurp them down!

The **Bubbly Queens** are the most beautiful in the land, quick to charm and ready with a champagne flute at hand. The queens are equipped with exquisitely designed belts holding 14 baseless champagne flutes so that they are able to move through a crowd with grace and ease. The bubbly is flowing and the guests are glowing, it's an event they won't forget.

South Africans just can't resist biltong, and with good reason. This delicious meat treat is a filling snack that tickles your taste buds with its spicy, smoky flavour.
