"Genius is initiative on fire" – Holbrook Jackson

1. So cool, it's hot ... the Discuss outdoor fire pit and braai is composed of a central burning chamber, a removable braai grid with chamber lid for extinguishing the flame and a storage area underneath. Beauty Fires, www.beautyfires.com
2. The Altar by Kevin Reilly is a striking addition to the covered verandah. The inside of each candle has been carved out and inserted with a special bulb that does not melt the wax. Pure Light SA, www.purelightsaonline.com
3. The Falø Heater is a functional piece of art. Mobelli Outdoor Furniture, www.mobelli.co.za
4. This Wire Hut Pendant Light, designed by the Nolden Brothers, is the ideal modern lighting fixture for the patio. Spree, www.spree.co.za
5. This stunning range of furniture by Inout is called the Illuminated Armchair, as the pieces literally glow. The Modern Home Company, www.modernhome.co.za
6. Shining lights strike a chord with these large oak and cast-iron planters that light up after dark. Designed to look like the famous Château de Versailles planter, the Alcine orange tree planter has a light-emitting diode system, which highlight the panels.
