Beginning on Jan. 1, 2018, the standard mileage rates for the use of a car (also vans, pickups or panel trucks) will be:

- 54.5 cents for every mile of business travel driven, up 1 cent from the rate for 2017.
- 18 cents per mile driven for medical or moving purposes, up 1 cent from the rate for 2017.
- 14 cents per mile driven in service of charitable organizations.

Again, remember that these numbers are for the 2018 calendar year. They don't apply to the 2017 taxes you'll file this spring.
