Peace Fellowship

Three things to share with you.

First, another word on stewardship (I wrote on this last month, as well!).

Stewardship is a year-round, a life-long process. Many churches like ours emphasize the annual "stewardship campaign," calling us to remember the love, grace and goodness of God in our lives and challenging us to consider our response to all that goodness by way of our financial commitments to the ministries of the church. That's a good thing and a necessary one - for our congregation and for our own spiritual lives, as well as our larger community and world. But by putting such an emphasis on stewardship at one particular time of year, sometimes we forget that stewardship is much more than where or how we spend our money and how much we give to our local church; stewardship is a way of life, a vocation. In fact, it is the first and primary vocation of human beings according to our Christian tradition. In the second creation story in Genesis, we read "God put the adam (the man) in the garden to tend it and to take care of it" (2:15). We are called to care for life, all life, the life that is God's - human life, other than human life, all that we "possess," our own person. Faithful stewardship of life - including our time, talents and treasures - is the fundamental way we live out our faith. May each one of us prayerfully consider our responses to God's goodness and love.

Secondly, a gentle reminder to take care of your spiritual life. Our days so often get so hectic with so many things to do and the multiple distractions from so many sources become blocks to a disciplined prayer life, setting aside times for silence, meditation, journaling, Bible reading, and other practices that keep us centered in the God, the One who is our Center. Whether that be in the morning, evening or sometime during the day, I urge you to stop, be still and remember that you are in the arms of God, upheld by the Spirit.

A third thing. What we do as a community of faith matters, greatly, but please let us remember the larger concerns of the world that God so loves. May we not

limit our concerns to our own personal lives, those of the ones we love, even our congregation; may we broaden our concerns to those of the weakest and most vulnerable, not only in our community and country but throughout the world. Remember our American Baptist missionaries, in the US and throughout the world. Remember those who are struggling from the devastations of extreme weather events - flood, drought, wildfires and severe storms. Remember those suffering through the devastations of famine, war and political upheaval. Remember all of those that God so loves.

May God bless you.

Love,

Tom

Getting Greener at Second Baptist

The Council of Ministries has introduced a new policy covering two categories of products which we will no longer purchase or use:

- ***water in disposable plastic water bottles***
- ***cups made of Styrofoam***

These two items are high on the list of the Earth's most dangerous and damaging non-biodegradable pollutants. As time passes, they are increasingly causing world-wide destruction to marine life and habitat while also contributing to human health risks and pollution of atmosphere and land.

We are grateful to all those who already refrain from buying these hazardous items. As faithful stewards of creation we conclude it is high time that Second Baptist does likewise.

This policy also applies to all guest-users of our church premises.

Commitment Sunday The Three "T's" of Stewardship

"The Three T's of Stewardship" is the theme of this year's stewardship commitment campaign. This season of stewardship is a time for us to remember that each one of us has been gifted with time, talents and gifts, and financial treasures to move the ministry of our congregation forward. The stewardship campaign is designed to be a time for us to focus on our relationship with God. In what ways do we recognize the gifts with which God has blessed us? In what ways do we use these gifts for the greater good? What practices do we engage in that open our souls to the Spirit who binds us together with God, one another and all the rest of life? How do we respond to God's blessings through the giving of our time, our talents and our financial resources?

Commitment Sunday is **November 19th**. During worship, each member and friend of Second Baptist Church will have an opportunity to express our gratitude to God and commitment to the ministries of the church by bringing our Estimate of Giving Cards (Pledge Cards) for the year 2018. Please prayerfully consider your response to God's love in your life.

Interreligious Eco-Justice Climate Stewardship Summit

The annual Interreligious Eco-Justice (IREJN) Climate Stewardship Summit will be held on Saturday, October 28th at Spring Glen United Church in Hamden, CT from 9:30am – 4:30pm. This year's theme is water, both on land and the oceans. The day will consist of speakers, panels and workshops on different aspects of our current climate change crisis and other critical environmental issues as they relate to sea level rise, water resource management, ocean pollution, lead in urban water supply, energy conservation, biodiversity loss and impact of toxic chemicals on human health. Suggested donation: \$30 (sliding scale of \$10 – \$100 available). IREJN is one of the organizations Second Baptist Church supports in our mission giving. For more information and to register, go to irejn.org.

Do you have any costume jewelry that you are no longer wearing? Please consider donating it to Second Baptist's annual fair.

Volunteers Needed Christmas in Suffield, November 4th

The Christmas in Suffield is fast approaching and we need your help organizing, manning tables and cleaning up. Please contact Sue Schneller or the church office if you would like more information or if you would be willing to lend a hand.

We are always very excited when we have a baptism here at Second Baptist. We are planning a baptism service for next March. It is a significant experience for each person that is baptized, and it will be a wonderful testimony to God that we'll all have the opportunity to witness and share in the praise to our Lord, and, *it's not too late to be baptized either*. If you'd like to be baptized or you'd like to talk to someone about baptism and whether it's the right step for you, please contact the church office this week. We'd love to talk to you!

Thanksgiving Gift Baskets

It is that time of year again when the Second Baptist Community can help a local family in need for the holiday season. There will be food slips available at Coffee Hour, any food that is purchased can be left in the Mission Room in the Old Wing of the Church. (Please check the expiration date on any food that is being donated).

Communion Offering for November Dominican Light of Hope Mission

Next trip Jan 2nd, 2018 join us!

All of us want to do something worthwhile — making a difference, serving as models to our children, creating a legacy. The Dominican Light of Hope Mission is an opportunity to do all that and more. Can you see your child volunteering in a foreign country? Would you like to help the poor learn to help themselves? Spread the gospel and words of hope? Would you consider donating a few dollars to help?

One of the main goals of our Dominican Light of Hope Mission trip is to provide opportunities for area high school, college students and adults to travel to rural villages in the Dominican Republic to engage in hands-on humanitarian projects. The trips benefit not only the villagers but also students and adults by exposing them to cultural and socio-economic conditions that are very different from home.

What do we do...

We listen first, always, and gather extensive input from children about school and their village. Through the local church, we come together as equals, discover their needs and plan for the future. Village-based committees are formed to identify needs of vulnerable children and families.

This year we are organizing an income-generating cooperative; families in one isolated village will receive tools, seedlings, animals and local church support. We are sponsoring a new school and a traveling clinic in Hoyo Clara.

What can you do...

Support our fundraisers and buy stocks.
Pray for us.

Sponsor a youth to go with us. \$500.00

Plant a garden, \$150.00

Buy fruit trees and shovel. \$75.00

Build a pen and buy some chickens. \$50.00

Buy a first aid kit that can travel with the nurse from home to home. \$75.00

Support one child for a school year. \$20.00

Start a school in a small home in a village. \$150.00

House repairs and tools. \$150.00

One family food staples for a month. \$20.00

When does it happen...

We hope to go to the Dominican about every 6 months.
2018- January and August

Mission Statement: Our mission is to connect youth from the United States with clinics and schools in the Dominican Republic in order to bring perspective to the youth and a light of hope to those in need.
