Honor a Memory: Create a permament tribute with a memorial brick in the Library courtyard.

Commemorative bricks are wonderful ways to mark a special occasion or memorialize loved ones. These handmade ceramic bricks, which can be inscribed with a name and message, will be permanently displayed around the fountain in the courtyard garden at the West Feliciana Parish Library. Your donation of $100 per brick insures a lasting memorial.

☐ I wish to purchase a commemorative brick for $100 to be placed in the courtyard garden of the Library.
