- * Smooth, rich, delicious dairy with no preservatives
- * Soy-free flavored non-dairy
- * Kosher certified and authentically delicious

At GoodWest, consumer-preferred products are fundamental. They're supported by our industry-leading dispenser program and best-in-class customer service.

We call it our *Value Triad* - Superior Products, Turnkey Program, and Best-in-Class Customer Service - the foundations of a profitable customer partnership.

CREAMERY CLASSICS

Java Works® Creamery Classics are wholesome, premium, ultra-pasteurized dairy products, able to be stored at room temperature with NO preservatives. Dispenser shelf life is 14 days, virtually eliminating spoilage. For customers who prefer non-dairy, we offer rich and indulgent soy-free French Vanilla and Hazelnut. Why waste space with messy powdered creamers, expensive/wasteful plastic creamer cups, and pumps?
