

Measles & Hepatitis A shots

Thursday, July 25 | 2-5 p.m.
Employee Wellness Center walking track

Measles and hepatitis A cases are on the rise in Tennessee! Employees, retirees and dependents enrolled in an MNPS medical plan can get vaccinated at no cost during this one-day clinic. Bring your insurance card. Other vaccines may be available, including tetanus, pneumonia and hepatitis B. Have questions about which vaccinations you need? Call our Kroger Pharmacy at 615-600-3854
