

Adam Smith's Texas Harley-Davidson Fact Sheet

Adam Smith's Texas Harley-Davidson is:

- the #1 dealership in Texas for the past two years
- in the Top Ten in the Nation for the past two years

Unique Features:

- **Aroma injection system** pumps Texas Harley-Davidson's signature scent, Grit (grease, tires, leather and burning gasoline), throughout the store
- **Signature Wall** allows buyers to leave their permanent signature – and become a permanent fixture – on Texas Harley-Davidson
- **"Parts Bar"** simulates the experience of friends customizing bikes together in the garage
- **World's Largest Harley-Davidson Bar & Shield** (right) hangs in the service department

Building Facts:

- Consists of 72,000-plus square-feet
- Sits on six acres
- Has a second showroom on the second level that currently showcases more than 300 motorcycles with capacity to showcase 500
- The second showroom alone is larger than 90 percent of Harley-Davidson dealerships in the country
- Has the look of an old manufacturing building and is 100 feet at its highest point

Cost:

- More than \$10 million, the majority of which was local to DFW including contractor, architect, construction workers, uniforms (switched to Fort Worth-based Dickies)
- Alliance Architects of Richardson, Texas, served as architect of record.
- Dealership is one of the largest sales tax generators in Bedford

Team members:

- Will employ 100 team members when fully staffed
- **Steps of Legends** stairwell displays names of team members who have served for a decade or done something exceptional as part of the Texas Harley-Davidson team.

Departments/Features:

- **Ride-In Service Department** allows customers to ride their bikes inside the service department. It features seven master level 5 (the highest rating) technicians; the service department staff has more than 130 combined years of experience. It features a dyno machine which also dynos

trikes (one of three trike dynos in the state), as well as a state-of-the-art indoor wash and detail area.

- **Customized bikes** are displayed throughout the dealership so riders can visualize parts on bikes.
- **Insurance Office** arranges motorcycle insurance but can also bundle car and home coverage, and ensure customers have the best plan.
- Two **customer lounges** offer free coffee daily.
- **Restrooms** offer sizable storage cubbies for helmets and riding gear.
- A **2002 V-Rod** hangs on the wall of the dealership (First year Vrod was made).
- **Learn to Ride at Texas Harley-Davidson in their Riding Academy class.** Motorcycles are provided to students and get licensed onsite upon completion of the 3-day class. This class is free for all first responders, Veterans, and active or retired military.
- **Founder's Room** is free and open to the public to use for meetings, luncheons and celebrations.

Adam Smith and Harley-Davidson:
