

CARPACCIO OF ZUCCHINI

6 - 8 large Zucchini

Slice the zucchini finely lengthways. A vegetable peeler works well for this. The zucchini should resemble 'ribbons'.

MIX:

1 cup Hello Box olive oil
juice of one lemon
2 garlic cloves grated finely
handful of chopped flat leaf parsley
salt and pepper
 $\frac{3}{4}$ cup grated or shaved parmesan

Layer the ribbons of zucchini on a platter, drizzle the dressing in between and top with parmesan and parsley.

Repeat.

Let this stand for at least an hour before serving, to marinate.
