To give using the Give+ App:

Download the Give+ app. Use your location to automatically find churches near you, or search 48014 to find St. John's Lutheran.

Create account, or sign in. You can also choose Give Now for a one-time donation.

Create account, enter your name, email, and create a password. It will return you to the login screen. Login using the screenname and password you just created. A popup will let you choose an alternate login, such as a pin number or touchID, or just remain with your password. Whatever works for you is fine. If you choose another option, you will be prompted to create your pin or TouchID.

The next screen should show "Give now" at the top and right below it should say St. John's Lutheran. There is a + symbol in the top corner. Click that plus symbol.

You will be given an option to give to the general fund or in memory of. The general fund can be used for your offering.

The next page will allow you to select your frequency, from a one-time payment, weekly, biweekly, and monthly. You will then select when your payment begins using the date selector that pops up.

You can select a predetermined amount of either $25, $50, or $100, or enter another amount at the bottom. The minimum is $3.

Click next to advance. You will see a summary of what you just selected for your review.

Click next at the bottom and you will be prompted to enter a payment method, either a credit/debit card, or your checking/savings account. If you choose credit/debit card, you will be prompted to allow your camera to access through the app to capture your card details. Otherwise, you can enter manually. Whichever payment method you use, fill out your details and click next.

You should be forwarded to the vancopayments.com website to confirm and process your payment. If the page fails to load, it is because you do not have an account with the church via ServantKeeper, our congregation management system. If you need to create one, please call Cassie in the office. It just takes a moment to create one. There is the option of adding a 2.75% to help offset the processing fees. This is not required. The app will automatically link to our system to record your donation for taxes just like magic!

That's it!

To give via our website:

Visit www.stjohnscapac.com and click the "Give" tab.

Click the "give now" button.

This forwards you to the eservicepayments.com website. You can choose to set up a one-time or recurring payment here. You can create a profile to make recurring payments.

Click Next. You will be prompted for your payment information. Please fill out whichever section you would like to, either a credit card, or savings or checking account.

You will be given the option to modify your donation amount on the right hand side.

If you did not create an account to begin with, you can add the option by choosing a password.

Click the "I'm not a robot" box and, if required, complete the verification steps.

Click Process. You should see a confirmation.
