

## **Town of Clinton**

The Town of Clinton is looking for professional to serve as the Town's Director of Public Works. The Director of Public Works is responsible for administration and management of roads, sidewalks, grounds including town building maintenance interior and exterior, parks, athletic complexes, and other town Facilities to include the Transfer Station and Landfill operations. In addition, the department is responsible for exterior grounds maintenance on all Board of Education buildings as well as all athletic fields. Key responsibilities include management of internal and external engineering and other contracts, providing comments on new development and infrastructure design and redesign submissions, administering maintenance programs for roads, bridges, culverts, drainage, facilities and landfill operations and the preparation and monitoring of an annual budget that reflects the long term asset management plan.

The preferred candidates will have a bachelor's degree in Civil Engineering or Construction Management (preferred but not required) or a closely related field.

Competitive salary with an excellent benefits package depending upon candidate qualification. Applications and the full job description are available in the First Selectman's office or on the town website at <https://clintonct.org/jobs.aspx>. Please submit an application, resume, cover letter and list of three professional references to the First Selectman's office, 54 East Main Street, Clinton CT 06413. You can also submit all of your information electronically on the town website at <https://clintonct.org/jobs.aspx>. Applications will be reviewed on a continual basis until the position is filled.
