

Laboratory Technician - Tewkesbury (HR244) Competitive Salary 37.5 hours per week, working shifts

Established in 1938, Cotteswold Dairy is one of the UK's leading independent, family-owned dairies. We support local farmers and communities by delivering the freshest, finest quality products and first class customer service.

We have an exciting opportunity for a hard-working and reliable Laboratory Technician to join our Cotteswold family. The successful individual will be responsible for sampling and testing products to maintain product quality control.

The environment is fast paced and the successful individual will be required to work on a rota system, 5 days over 7. Shifts can start from between 2.00am and 11.00am.

You will be required to conduct micro-biological tests and be able to analyse and interpret results, detect antibodies and test shelf life, whilst ensuring compliance to both company and legislative standards and requirements.

You will have:

- Previous laboratory experience (full training will be provided)
- Knowledge of the dairy industry, food hygiene and associated procedures
- A qualification in biological sciences to GCSE level or A level
- The ability to work accurately within specified time frames

We are committed to training and giving you the skills and abilities to carry out your role, providing progression and opportunities, allowing you to build a long term relationship with the Company. In addition to this, we offer:

- Competitive salary
- 30 days holiday inclusive of Bank Holidays
- Group Personal Pension Scheme – 4% Employer contribution
- Online employee benefits platform
- Cycle to Work Scheme
- Refer a Friend Scheme – potentially receive £250
- Employee shop – discounted products and potential free delivery
- Free car parking

For an informal discussion about the role, please contact the Laboratory Manager on 01684 298959.
