

Lean Organisational Management

A lean organisation provides the greatest customer value with the fewest resources, a philosophy increasingly important in today's competitive business market. A sound understanding of the concept and benefits of a lean environment, as well as knowledge of business techniques and working in teams is essential. Our nationally recognised qualification is designed to provide individuals with an appreciation and understanding of some key principles of lean organisation management.

Course Content

- The concept of a lean environment
- How to implement a productivity needs analysis
- Continuous improvement techniques and the principles and techniques of workplace organisation
- What makes an effective team
