

The cleaning industry is an important, competitive and thriving one, estimated to be worth about £10bn annually and employing around 800,000 people.

Contract cleaners face a dual challenge – tendering in a competitive market and operating in a market where staff turnover is traditionally high. A qualified team will also differentiate your business from the competition and help you stand out from the crowd when attracting new staff and new clients.

Who are these courses suitable for?

Those currently working as a cleaner who need to develop or consolidate their skills as well as those seeking employment of this type.

What is on offer?

You can choose to complete either Bundle 1 or 2.

If needed, Functional Skills courses (maths and/or English) can also be fully funded, plus the Level 2 Award in Cleaning Principles.

Bundle 1 - Full Level 2 Certificate

- Communicate effectively in the workplace
- Develop yourself in the role
- Reduce risks to health and safety in the workplace
- Work individually and follow reporting procedures in a cleaning environment
- Clean and maintain internal surfaces and areas
- Deal with routine waste
- Clean washrooms and replenish supplies

Bundle 2 - Select a minimum of four units:

- Communicate effectively in the workplace
- Work individually and follow reporting procedures in a cleaning environment
- Clean and maintain internal surfaces and areas
- Deal with routine waste
- Clean washrooms and replenish supplies

These courses are fully funded via the European Social Fund (ESF), for anyone with 3 years+ EU residency and the right to work in the UK.
