

Gernot Mang

CEO and Managing Director

Vivonio Furniture GmbH

Gernot Mang (54) has been CEO and Managing Director of Vivonio Furniture Group since May 2023.

Gernot Mang has extensive international experience in growth, efficiency improvement, portfolio development and sustainable orientation of corporate strategy. Before joining Vivonio in 2023, Gernot worked in management positions at Klafs and Poggenpohl with a focus on strategy development and realignment. Prior to that, he worked for several years at various premium brand companies in New York, Miami and Bologna in management, sales and marketing positions. Gernot Mang has sophisticated cross-industry expertise in professionalising and optimising processes and structures, as well as in turnaround management.

As a passionate marathon runner and triathlete, Gernot Mang knows that success can only be achieved through constant improvement, perseverance, goal orientation, focus and courage.
