### Coach Linehan’s Message

*“The Girls Soccer program at SHS has a long successful history, with a State Championship in 2002 and several years of Conference Championships and successful runs in the State tournament.*

*Yet, the most important reason for our success were the players. Players that loved to play, worked hard, and made the commitment and sacrifice to become an above average High School soccer player.*

*Preparing to play at SHS doesn’t start as an incoming freshman. Instead, it takes years of preparation to develop and prepare to play at the HS level. Attending this academy will help you in your preparation. Cheers”*
