

Production Technician

Product Division

Exeter, Devon

Executive Summary

AnTech is continuing to grow, and we have exciting opportunities for talented individuals to help us reach our objectives. We are driven by people and technology and are extending our reach globally with offices in the UK, USA and Saudi Arabia. We operate across two divisions, providing custom products to the upstream oil and gas industry, and offering a specialist directional coiled tubing drilling (DCTD) service.

Purpose of your role

The position entails working in the production and test department working on manufacture, testing/assembly of products. You will report directly to the Production Manager for the scheduling of your workload. In your work you will need to interact and develop good professional relationships with all co-workers in order for all of our jobs to be done effectively. The business also relies on good supportive relationships with its vendors and clients for success.

Key Job Accountabilities

- Production Testing e.g. Pressure testing.
- Maintaining Stores.
- Ordering and dealing with suppliers.
- Keeping the workshop safe, tidy and organised.
- Marking assemblies and components.
- Manufacturing assembly from work instructions.
- Prototype assembly and test instructions.

Essential Skills

- A keen and responsible attitude to work is essential and an ability to show initiative in all responsibilities and tasks.
- Numeracy, accuracy, attention to detail and the ability to follow through a task to its successful conclusion.
- The ability to learn and absorb new information and training.
- The ability to communicate effectively with fellow employees and clients and to be flexible in all areas of the business are essential.
- Computer literate (Microsoft Word, Excel, Publisher, PowerPoint)

AnTech Benefits

Competitive salary, 25 days annual leave pro rata, in addition to 8 paid bank holidays. Death in service and disability benefit, Enhanced pension scheme.

What AnTech Looks For

- Employees with **integrity** and **capability** with a strong desire to **influence** the upstream oil and gas market.
- Ability to set **ambitious goals** and overcome obstacles to achieve them.
- A **passionate** approach to work with every day seen as an opportunity to **learn** and **improve**.
- Great **communication** to further build on the company's excellent reputation within the industry.
- A **collaborative** work ethos to continue to promote the AnTech culture of sharing of skills and expertise.

AnTech is proud to be an equal opportunity employer.

Please send your CV and covering letter (this should be directly linked to the job accountabilities and essential skills outlined on the job description) to jobs@antech.co.uk
