

I DO
NOT

have much experience in writing resumes
have an extremely long resume
have any interest in sharing my military background (1988-91 air defense unit) also I've got no interest in mentioning that I finished my reserve duty with the rank of Master Sergeant
have an inclination to divulge any information regarding the **digital art studies** I took following my army service
no longer own a press card as the result of being an **former editor** for a local newspaper
have any idea if there are **benefits** to owning a German visa & citizenship, but I **do own** them.

I DO

have a **magna cum laude** from the Abudi School of Advertising (The Hebrew Uni. In Jerusalem)
have an in-depth Familiarity with an endless list of **Adobe product**, including expertise in Indesign
admit to having only **one place of employment** for the last 22 years
pave vast amounts of **motivation** & the **ability** to work unconventional hours
possess great **teamwork skills**, especially brainstorming
possess heaps of **patience** (especially for costumers)
Have **quick** learning skills and the ability to **implement** what I've learned
have **experience** in supplying marketing/design solutions for many business types, such as: Pharma, real estate, politics, start up, bio-technology, consumer products, etc.
have hundreds (if not **thousands**) of works & projects I've done
have an excellent track record working alongside **advertising agencies** as a subcontractor
possess endless experience working with **end customers**
have experience with **printing industry** suppliers
have a long list of **satisfied customers** who'd be happy to give their **recommendations**
own a **website** where you can inspect my abilities: www.ayale.com
have two amazing children: Aya (14) and Dor (7)
own my own car... and a driver's license
have the will to succeed, learn, advance and enrich my knowledge

Thank You for your time,
Alon Ben-Chanoch
