HIKURANGI HISTORICAL MUSEUM

Over the years, community fundraising has enabled much of Hikurangi's progress. A couple of examples we have written about previously include the opening of the waterworks scheme, and to help the Fire Brigade purchase equipment in the early 20th C.

Today, the Hikurangi Museum is asking for your help - to raise funds to purchase conservation materials. These funds will help us store historic photographs of our community safely in the museum archive. Thanks to the generosity of local businesses and individuals who have contributed prizes, we have a raffle for two fabulous prize bundles. The raffle will be drawn next month (Spring) and it is just \$5 a ticket. Two winners will be drawn – the first gets to choose which prize option they prefer. Prize option A has an approximate value of \$1620 and includes a generous load of gravel from NorthEnd Contracting, a septic tank clean from Sureflo, and vouchers from local businesses: Autofocus, Rouse MC and Rural Direct. Prize option B has an approximate value of \$925 and includes firewood from Ace Timber Products, gardening and lawn mowing from Lisa Gardyne, a massage from View to Health, hot drinks and cakes from Wholey Health, a voucher for Village Vintage Treasure, a voucher for Hangar Art & Framing, and some art lessons. Both prizes come with a framed image as well. Please note that more specific info / parameters for these prizes can be found on our Facebook page - Hikurangi Historical Museum. The last day to purchase tickets will be the 31st of August. You can get raffle tickets from: The Hikurangi Museum [Tues, Thurs, Sat 10-11.30]; Friendship House [Mon, Tues, Thurs 9.30 -12 & Fri 9 - 2.30], or online. See our Facebook page for other retail outlets selling tickets. To purchase online: deposit money into the museum bank account. Write your name and raffle in fields as reference. Send us a screenshot of the payment (Email or FB private message this to us.

Our email is hikurangi.museum@gmail.com).

Museum bank details are -

Account name: Hikurangi Historical Museum Society; Account number: 03-0498-0072617-000.

Once again, many thanks to those who have contributed prizes and purchased tickets.

Funny Stories/Good Recipes:

If anyone has any of these that would be suitable for the Hikurangi Bulletin please call into Friendship House with them or email us at

friendship@hikurangi.co.nz.

They would be very much appreciated. Linda (Editor).

Hikurangi Mountain Lions

August already, this year is certainly flying by! So, a date for your diaries: Hikurangi Mountain Lions are delighted to be once again involved in the planning of the Hikurangi Christmas Parade which, this year, will be on Saturday 9th December.

There are also a couple of competitions coming up for the younger members of our community:

Lions NZ Peace Poster Competition and Essay competition (The theme of both competitions is "Dare to Dream")

If you are between the age of 11 – 13 years old (as at the 15th November 2023), and interested in entering either of these competitions (and to be in with a chance of winning prize money), all you need to do is:

Contact our Lions Youth Coordinator: Arlene Carter by emailing arlene@tiaho.org.nz for further information. You need to let her know and name, age, which school you go to and your contact details.

Lions will supply the paper for the poster as it must be A5 paper and a special weight.

Essays must be no longer than 500 words.

Do you need a hand?

We are always looking out for local projects that need help. If there is something that you think we could help with, please feel free to text or call Bruce, our Projects Chair, on 021 492 747.

Until next time, stay safe and well.

HIKURANGI VOLUNTEER FIRE BRIGADE

Hi Hikurangi

Did you know we do free home safety visits? This year on Sunday 24th September we will be doing this between 10am and 1pm.

This involves checking existing smoke alarms are working, choosing the best locations for smoke alarms, helping your family with an escape plan and providing any other home safety advice.

We have limited spots available for this day get in touch on Facebook or call the fire station on a Monday night to get your spot.

Congratulations Bonnie on becoming our newest firefighter, after months of training and study.

Bonnie spent 7 days at the Rotorua training centre to now be a firefighter.

We have a few more recruits getting ready to go away over the next few months to the national training centre we know they will also do well.

As we roll into spring many of us are out in the garden doing that winter tidy up and starting to think about burning our old rubbish left laying around, just remember once we light a fire it is never a controlled burn. These fires need your full attention and if you are unsure you have control of it don't hesitate to call 111 and ask for Fire.

Better we come have a quick look than it burns and damages your property.

It is also that time of year where we honour our fire fighters hard work and recognise the time they and their families give to help keep us safe in our time of need.

A bit more on this next month.

When a woman I know turned 99 years old, I went to her birthday party and took some photos. A few days later, I brought the whole batch of prints to her so she could choose her favourite. 'Good Lord.' she said as she was flipping through them, 'I look like I'm 100.'

I have buyers.

Hikurangi Community Development Manager

Hello Hikurangi, I hope you are all enjoying the pockets of sunshine we have been getting lately. Another busy month for me, with my main focusses in the last month being the proposed community housing development in King St, the Hikurangi Shuttle, addressing some parking and roading issues, finalising the local civil defence documentation, and working on some proposed signs for the district. You will note over the next few weeks some facebook polls will be issued on the Hikurangi Community Page regarding the proposed signs, and there is also an online sign survey which has been sent out to my subscribers via email. If you haven't yet signed up but want to complete the survey, I can send it to your email if you contact me on 021616755 or admin@hikurangi.co.nz and send me your email address. You can also check out the projects I'm working on by visiting our local website hikurangi.co.nz, there is a link to the HCDC page at the bottom of the homepage. As always you can contact me direct if you have any questions, concerns, or projects you want to add to my register. It is also now the time that the community groups start organizing the end of year events in Hikurangi, anyone wanting to help with any of them can contact me and I'll point you in the right direction. Thanks to all who have already come forward to help! That's all from me until next month, your Hikurangi Community Development Coordinator.

HIKURANGI POLICE
Policeman Rado (Greg) Here-turi-kōkā/August
 Tēnā koutou katoa and Hari huri tau/Happy birthday for everyone who's birthday it is this month.
 Another month or two have rolled by since my last Bulletin piece. We are now on the last month of Hōtoke/Winter which for one I am very pleased about. Looking forward to Raumati/Summer this year! Still a few months away though! For me and Josh we have been busy, and as I'm writing this, someone on a black road bike thinks Valley Road is a quarter mile strip! Which brings me into speed restrictions out and around our town, 50km/h in the Hikurangi area until you go out onto SH1 and Marua Rd.
 Certain times of the day for school, normally mornings and afternoons, have zoned areas that are speed restricted. 40km/h during these times are the maximum speed any vehicles should be going in these zoned areas!
 This leads me into RIDS. Generally what Pirihimana focus on.

RIDS:
 -Restraints - seatbelts.
 -Impairment - alcohol and drugs.
 -Distractions - cell phone use.
 -Speed – I shouldn't have to say much - Slow down drive to the conditions and posted speed limit for the area.
 You may have noticed the extra Police vehicles in and around the Hikurangi area. Majority of these Policing units are Traffic units who have a zero tolerance for RIDS abusers.
 A heads up for all who are reading this, we will again be doing random check points focussing on RIDS so don't be surprised when you come across us on one of the streets.
 On a helping note, from Josh and I, if anyone is struggling to obtain a driver's licence, being a learner's class car licence or struggling to graduate from a learner to a restricted or full driver's licence, come into the station and see us, we can assist by submitting a referral to a partner agency that Police work alongside who will help out. All they require is a contact phone number so they can make contact and start the ball rolling!
 There have been a few reported burglaries in our area, recently whanau who have moved into our community to have a Toanga/Treasure taken off their deck. We managed to return it home, but in saying what is not yours, keep your hands off.

Please be vigilant, keep an eye on your neighbours and secure your property. Any suspicious behaviour even if you're not sure, report it. Again, registrations for suspicious vehicles, and if able to, description of suspicious persons. And like always call 111 if it's happening now/emergency or 105 if it has happened already/non-emergency.
 Respectively if you have access to internet and can't get through to 105 via phone, go online to 105.police.govt.nz and make a report.
 That's me for this month, stay safe dry and warm out there and we'll see you out and about.
 Mā te wā/bye for now/see you later. Up the WAHS.
