International Rally of Whangarei

This was won by Hayden Paddon for the 8th time.

Congratulations.

They came through Hikurangi on May 13th for their re-fuel stop.

This was a good opportunity for the community to come and meet the drivers and see their cars.

Hello Hikurangi!

Lot's going on this month with a few projects on my register coming to a close. We have slightly changed the operational side of this role to better work together with the community on projects and initiatives within our village. Our first change was to change the role title from Community Development Manager (CDM) to Hikurangi Community Development Coordinator (HCDC). We have also come to the conclusion that we need to widen the scope of input into outcomes from within the HCDC work load. A consultation programme has been created where community members can subscribe to receive information and surveys, and have a say in what is being worked on and what the outcome of projects might look like. We encourage all people who live in, work in, or regularly visit the Hikurangi district to sign up to receive this information and participate in giving feedback.

You can take this short survey to subscribe (www.surveymonkey.com/r/P5YTC5Y) or check the flyer for more registration options. I look forward to engaging with you all on projects and initiatives taking place around Hikurangi.

Opuawhanga Community Hall

Our inaugural pumpkin day judging day took place on 26th March! What a great community day it was; with some amazing pumpkin entries, including decorated ones. We also have some amazing budding artists in our community, showing off their expertise in the pumpkin themed colouring competition! A buzzing market day also took place. here were sausages and cold drinks a plenty, not to mention a new addition to the menu - egg and bacon rolls which went down a treat! All this under a cloudless sky – it almost felt like summer!!

A huge thank you to all that entered the competition, joined in the fun on the day, to our awesome stall holders and also to our fantastic sponsors who were so generous.

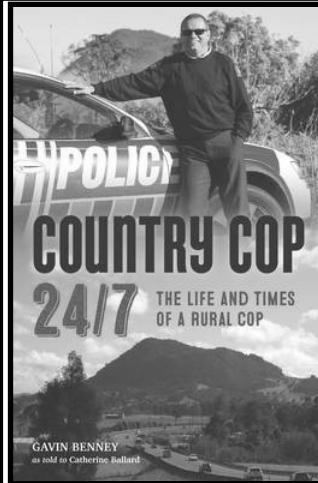

We are planning to hold this event again, so watch this space for when and come join us!!!

Remember, if you are looking for a venue for your birthday, wedding or any other celebration, the Hall is available for hire (she's had a new lick of paint inside recently and is looking rather smart!!

Please contact Joan on 0211614872 or email joandempster6@gmail.com any enquiries about hiring the Hall.

If you have any stories that could go in the bulletin please either drop them into Friendship House or email them to friendship@hikurangi.co.nz

HIKURANGI HISTORICAL MUSEUM

Despite this recent bout of rain, we are carrying on restoring our museum buildings. The old Court House is almost finished and quite a few people have commented that it looks beautiful. Thanks again to all the helping hands that have made this project a success.

Our next step is to beautify the old Jail too. When Thomas Henry Beddek (the first constable to be stationed in our village) arrived in 1897, the jail was situated at the back of his house. Nowadays it houses

our archive and an exhibition about the fire brigade and all the police officers that served in Hikurangi over the years.

Our local Councillor Gavin Benney was previously a policeman in Hikurangi for 24 years. He has kindly offered his help with painting the museum and is booked in to talk to local school children who will be visiting the museum this week. Gavin wrote a book about his experiences, **Country Cop 24/7 - The life and times of a rural cop**. We are looking forward to hearing about his interesting time as a police officer. He once held the informal title of "best clearance rate in the country".

If you would like to help with our ongoing restoration works, please get in touch or come to the museum. We will have working bees every Tuesday/Thursday from 4pm until nightfall and on Saturday from 9am to 1pm (and possibly even longer) - of course weather dependent.

Our opening hours are Tuesday/Thursday and Saturday 10-11.30am or by appointment.

Bonding

Laughter helps us bond with each other because it sends out a powerful signal that we like being around people and that people enjoy being around us.

Research has shown that:

- people who laugh more tend to be liked more by their friends.
- Teachers who use humour are liked more by their pupils.
- Groups of employees who laugh together are more productive than those who are more serious.
- Employees enjoy their jobs more when their supervisors have a good sense of humour.

HIKURANGI VOLUNTEER FIRE BRIGADE

Hi Hikurangi

This month we celebrated International Firefighters' Day, join us in acknowledging and honouring the work of our firefighters and those who support them, giving up there time to help keep our area safe.

Our firefighters do so much alongside fighting fires. They respond to a wide variety of emergencies including motor vehicle accidents, medical emergencies and dealing with hazardous substances.

Every call is different.

With the weather that is currently hitting us it's a reminder to be prepared. If you need to travel, drive to the condition and don't drive through flood waters.

If you lose power, use torches not candles if you can. if you need to use candles place them on a heat resistant surface, keep them away from anything that could catch fire.

Follow MetService New Zealand for the latest weather warnings and follow NZ Civil Defence and Civil Defence Northland page for emergency warnings and advice.

Call 111 if life or personal safety is under threat. That includes when people are trapped by floodwater, slips or fallen trees and when people need help to evacuate safely.

Do you need a smoke alarm? Message us on Facebook or come see us on Mondays from 6.30pm

Last month was another quiet month with 8 calls

02/4/23 Hika 641, 6411 Ngunguru 791, 7910 Fire in Bush Matapouri.

Hikurangi Police Policeman Rado (Greg)

Tēnā koutou katoa,

It's been a month or two since my last Bulletin piece. It is Monday 1st of May and I write this piece while in the office with the heat pump going.

Feeling the change of season is upon us. Like many I thought we got past the devastation of Cyclone Gabriel, only to be hit with another sub-tropical weather bomb over the weekend and the tail of it hanging around for the remainder of this week? I hope you're all managing alright and getting through without too much damage to your personal property/belongings.

With this, if there are any whanau struggling or not making ends meet, come into the station, have a korero with myself or Josh, we may be able to assist? We hold some food boxes at the station containing dry perishables so if there are whanau that are in need, by all means come see us.

We had a good turn out for the Anzac Service held here in Hikurangi, good march to the cenotaph, with a service and back to the bowling club for a few snacks and for some of the lucky ones, some beverages. Its good to see the young tamariki attending these services. ("At the going down of the sun and in the morning, we will Remember Them")

Officer Josh is settling in well and enjoying his start here. We have started doing random check points, restraints/seatbelts, driver's licenses, wofs and registrations along with alcohol are our focus. These check points will increase overtime and may include some late-night alcohol check points.

Our vehicles are now equipped with radars so please watch your speed, exceeding the limit will result in fines. If we flash you, turn our red and blue lights on, while driving, it's a warning, check your speed. A reminder to watch your speed around our Kura's/schools in the mornings and afternoons.

Theft of cars and cars being dumped in our area has slowed down, probably due to one of our local boys being responsible for majority of these and now, he is having spent some time in the Ngawha Hotel. There have been a few reports of burglaries in and around our area with mainly battery-operated power tools and electronics being targeted.

The local 4 square was recently targeting and robbed, the offender was quickly nabbed in the Tikipunga area shortly afterwards. I'm not to sure what his thinking was behind his actions, lucky none of the staff involved were injured.

For everyone out there, if you see something suspicious, take some details of what you're seeing i.e., registration plates, description of person/s and give us a call so we can follow up. Please be vigilant, secure your property and keep a kano/eye out on your neighbour's property. Once again, the numbers for an emergency if it's happening now 111 and if its historical having already happened its 105 to take a report. The 105 reports, if in the Hikurangi area will eventually get assigned to me or Joshua. If it's a 111-call needing urgency it will get assigned to the nearest available unit.

Lastly I'd like to apologise for anyone who comes to the Hikurangi Station only to find it unmanned, sometimes it is a case of luck having a officer present when you arrive.

For now, stay safe out there, take care and look after each other.

Mā te wā/bye for now/see you later
