International Rally of Whangarei

The International Rally of Whangarei returns to Hikurangi in 2023 in both the refuel and the rural rally events. The same four roads are being used for the rural rally legs and maps/details of these legs can be found on the blog of the Hikurangi website www.hikurangi.co.nz. The refuel this year returns with the annual gumboot throw where some prizes will be up for grabs. The hours for the refuel event are yet to be set but will follow the same process as previous years with a morning refuel (usually from around 9am) and an afternoon refuel (usually from 2pm). This allows the public to come along and view the rally cars up close, snap some pics, and meet the drivers where they will be onsite signing posters etc. The Pohe Island event has been moved from Friday evening to Saturday evening from 6.30pm. So lock in the date:

SATURDAY 13TH MAY

and head along to eventfind.co.nz to purchase your tickets.

Betty Hooper Story Much loved trailblazer Betty Hooper passed away on March 21st 2023. She was in the private hospital wing of Merrivale in Kamo and had bravely fought an untreatable and unusual abdominal infection. During her week at Whangarei hospital the amount of visitors astounded the doctors and they joked about making queues in the corridors. Prior to those last 3 weeks she was still living independently and hoped to have her driver's licence renewed. She was 103 years young. Betty was an amazing no fuss lady and a strong advocate for homeopathy and healthy living. She was a very positive and practical woman who put her energy into helping other people's children. Back in the 70's/80's Betty was a well-known goat farmer when she realised how many are impacted by dairy allergies. She was first in Northland to receive a permit for selling raw goat's milk helping many mother's and babies. She self-funded (sold her house) to research the effects of food colouring, additives and chemicals on children's learning. She presented at least twice at the Waikato-Health Expo (main speaker in 2015) and has been interviewed on the radio in NZ and overseas. In the last 20 years, she visited Cuba twice, after discovering it is the most organic country in the world. Betty visited schools and the hospital and talked to paediatricians there. Students there are fed wholesome meals, and there is no fast food available. There is no Ritalin, no ADHD, nor misbehaviour in the classrooms, therefore Betty made a big impact on the high school children at Pompallier Catholic College in 2016, when she did a presentation on her research to senior students. She got the students to dye some of her homespun wool using food colouring (it's permanent) and later returned to show them bead-making. This was demonstrated on the TV3 news in 2016 when Kim Vinnell came to interview her. An item was presented with historical footage, after which Duncan Garner said "She's a show on her own!" Here's the link: <https://www.youtube.com/watch?v=szcpU-qd2k4> Betty was still helping children with their reading at our Hikurangi School until late 2020. The love of students and staff towards Betty was amply demonstrated at her 100th birthday in the school hall. Later in Oct 2020, Betty still had a lot of life in her and likewise still had much to offer the community. She was also a renowned craftswoman (a silk screen artist, spinner and fabric artist and paper bead maker, amongst other things). In her 90's she used to drive three times a week to Paihia Craft Market to sell her wares. Betty also taught silk screen painting in 1980 at the International Silk Painter's Conference in USA and had started teaching local fine art students last year which was sadly interrupted by a slip at home that resulted in a partial hip replacement-the oldest recipient and a very impressive recovery too! Her last embroidery project, a patchwork jacket is on display and for sale at the pop-up art shop next to Miner's Rest Café in Hikurangi for 3 weeks. We are deeply saddened to lose a vital and inspirational member of our Hikurangi Community. There will be a special Memorial tribute to Betty in the Hikurangi War Memorial Hall on Sunday May 7th at 2pm-4pm. Memorabilia, necklaces, paintings and books of Betty's will be available for purchase and all proceeds will go to the Betty Hooper Foundation in the wish to keep Betty's research available. "All welcome" to Betty's Memorial & a plate would be very much appreciated thanks.

Rest In Peace Betty you will be sadly missed by everyone in Hikurangi

HIKURANGI HISTORICAL MUSEUM

This year we pay tribute to the distinguished war service and career of Sister Nellie Eileen O'Callaghan ARRC MBE as part of our 2023 Anzac Day Commemorations.

Sister Nellie, a Hikurangi resident, started her nursing career in 1922 at Auckland Hospital being the Gold Medallist for 1926.

In 1929 she moved back north to Whangārei Hospital in charge of women's medical surgical and maternity wards, also obtaining midwifery certificates.

Sister Nellie moved south for further training returning to Whangārei District Hospital until the outbreak of World War 2. She then joined the New Zealand Army Nursing Service landing in the Middle East on October 1st 1940.

Until April 1944 she was Sister in charge of the operating Theatre 1 and acting Assistant Matron serving in the hospital's various locations in the Middle East and Caserta, Italy.

Her war service resulted in the award of Associate Royal Red Cross (ARRC) by announcement on December 21st 1944 in the London Gazette. Her war service also earned her the 1939-1945 Star, Africa Star, Italy Star and the Defence Medal.

Following the war her nursing career continued resulting in an MBE awarded for services in connection with the Blind Servicemen Trust Board. She was then Matron of the Rawhiti Surgical Hospital in Auckland.

The Hikurangi Museum warmly invites all to join us on ANZAC Day for morning tea opening from 10am-1pm. Find out more about our soldiers in our war memorial room and pay your tribute.

Hikurangi Museum opening hours are Tuesday, Thursday & Saturday 10-11.30am

If you need local knowledge, we're in the neighbourhood.

CIVIL DEFENCE

Hikurangi has a civil defence committee who has been working in the background to update the 2012 village emergency plan. It is not quite completed yet but we are able to advise that we have secured a number of facilities to be evacuation bases if the need arises. The primary base for evacuation is the Hikurangi War Memorial Hall. However this is not always accessible in a big flood. If you or anyone you know needs emergency accommodation or has any other civil defence related requirements please contact the Hikurangi Civil Defence Chairman Cory Haslam on 022 191 5709. To keep up to date with the most accurate information please follow guidelines issued by NZ Civil Defence via the Radio, TV, or through Social Media.

HIKURANGI VOLUNTEER FIRE BRIGADE

Hi Hikurangi

Cooler nights are starting to be more common, its time for few winter tips.

Fireplaces should always be swept before they are used for the 1st time.

Remember to always put the ashes in a metal bucket and to pour water on the bucket. Ashes can take up to a week to cool down.

Remember the heater metre rule - always keep clothes, furniture, curtains at least one metre from heaters and fireplaces.

Check any gas bottles for leaks before using them.

Check out fireandemergency.nz for tips on staying safe this winter.

In a real house fire, you have less than three minutes to escape. So give yourself a warning. Install working smoke alarms today. One third (33%) of the residential fires we were called to last year did not have smoke alarms. You are four times more likely to survive a house fire if you have a working smoke alarm.

Do you need a smoke alarm? Message us on Facebook or come see us on Mondays from 6.30pm.

Last month was a quiet month with 6 calls

Community Development Manager Report

Hello Hikurangi, my name is Sharlene and I am the Community Development Manager for our community. My job is relatively new and is based off the ideas and visions set within the Placemaking Plan that was created in 2021.

I am contracted part-time to HBA, but am managed by four local community groups where I work towards achieving goals and initiatives set out for me. Some of my work is relevant to just the community groups I am working alongside, some involves working alongside council, and some involves community consultation and facilitation. The primary objective of this role is to ensure projects identified as important within the community are working towards being achieved and don't "fall off the radar". Sometimes I will lead projects, sometimes I will share managing duties, and other times I am simply there to monitor and keep reminding the managers to work towards the next step forward. I have a register where all my work is outlined and this can be found on the CDM page on our local website's home page. I welcome constructive input and queries on anything I am working on and welcome contact from residents and business owners who wish to chat about any of the projects or events I work on. You can often find me in person at the Hikurangi Library where I have an office, however you are also welcome to contact me by email on admin@hikurangi.co.nz or by my mobile 021616755. I hope to put a brief update in upcoming bulletins about things I am working on and wish to encourage you all to check out the CDM page on the website to keep up to date.

Hikurangi Police

Policeman Josh

Tēnā koutou katoa,

My names Josh and you can now call me your new community constable alongside Rado who you all know. Big shoes to fill for myself in this community, but I am positive I will be able to once I get used to my new area.

A little bit about me:

I am a very proud father of my little girl and an annoying husband to my wife. I was born and raised in the Whangarei, spending majority of my years in Parua Bay.

I'm a huge Warriors fan and I'm saying it now "it's our year" come yarn to me anytime about Rugby League or Basketball

In my previously life I was an Electrician for 10 years before deciding to give it up and join the Police.

My first deployment as a Constable was in the mid north region and I was based out of the Kawakawa station for multiple years. We covered from Towai to Mangamuka, from Russell across to the Hokianga and all in-between. It was very important in those communities to be active and present,

and I have learnt a lot about being there that is easily transferable to this role.

If you see me in either the Triton or the Captiva please come and say hi and if you have any questions, please do not hesitate to come see me. Since I started here in the community, we have noticed there are a lot of issues on the road. Speeding, seatbelts, and drink driving. So Rado and I will be keeping on top of these. These are easily avoidable issues that can help keep the community safe so there will be no discretion for these offences.

I am happy to be in this role and to be an active member of this community with you all. So as Rado previously mentioned the number for emergencies is 111 if it is happening then and now. If its been and gone use 105.
