

Seasonal Greetings to all hockey players, and particularly to our visitors from the county in which I was born – Northampton Saints. They are clearly doughty cup fighters and today's match against our own 1st XI, which is having such a good season, looks like being a real cracker.

As usual, we would like to thank our umpires for their skilful handling of the match, which we all hope will be played in the true sporting spirit. I would also like to thank City Centre Leisure for giving us such a good pitch to play on, and for their efforts in obtaining a special licence in the cafeteria where we can meet for a drink after the game. Let the bells ring !
