This week we welcome East Grinstead to Paddington Recreation ground. They come in fine form having defeated both Canterbury and Wimbledon last week, and sit in the top 3 of the league. After a quiet year last season (by their own very high standard) they have been reinvigorated by Glenn Kirkham taking over the reins.

They have a wealth of attacking talent with the GB international trio of Chirs Griffiths, David Condon and Liam Ansell leading the line who will cause any team a headache. For those of you who have watched games here at Pad Rec for a number of seasons you will spot ex HWHC player Richard Hildreth lining up for the Sussex side... he was the last person to live in The Carlton Tavern - although he claims it's destruction had nothing to do with him!

From our perspective we have had a tricky start to the season with away fixtures at 3 of the anticipated title contenders. Whilst we've played well and felt there were opportunities to win all 3 games, we've been immensely disappointed to only secure 1 point from those games. Despite the results, we're still in the mix and if we get on a good run can be right back into the thick of things in no time.

Last season's game against E.G. was a real thriller, as we came back from 3-0 down to win 4-3. Hopefully we can have a similar result, although let's hope we start a little better this year!

Enjoy the game and see you in The Warrington afterwards.

How long have you been at HWHC, and why did you pick us?

This is my second season. Decided to move on from Surbiton as I'd completed it.

After your time at HWHC how would you describe the club in 3 words?

Bantz, Lolz, completable

Which team do you look forward to playing against the most and why?

Surby. I get to catch up with some old flames. It can prove difficult for us to find the time though for some reason

On the flip side, is there a team you don't look forward to playing?

Surby. Equally scared to bump into old flames

What is your personal aim for the season?

Finally win a fight vs Shippo

What do you do when you're not on a hockey pitch?

Full time baller

Do you have any pre-game rituals?

Can of deodorant and deep breaths... normally hanging

Favourite post game drink?

Bottle of buckfast normally does the trick

Do you have any nicknames within the team?

No!!....."My name is Geeeeeoooofff"

When did you last score, and was it a stunner?

Not one to shout about it but, last night actually. Decent... "I never go below a 7"

Most embarrassing moment on a hockey pitch?

Trapping my indoor opponent in the corner

If you could be another teammate for a week who would it be and why?

Mark Edwards.....he seems to be the only one superior to me whom I have met in my lifetime. Also I think water on a night out could help me moving forward

If you could attend any sporting event in the world, what would it be?

Hockey World Cup in India. I love going to hockey events and I think the atmosphere will be amazing!

Who is your role model?

Paddy McNair. I just don't think you'd understand

Who is your dream date?

Emily Ratajkowski. Though I understand she's taken and that just isn't my cuppa

Who's the best and worst dressed in the squad?

Best James Chaffey. He's so edgy. Love his sense of style. Worst is Mikie Watt - sick of the sight of that tattoo. We get it, you were moving cones at Rio. Not that I'm bitter I didn't get selected.

Which teammate would be voted off Big Brother first and why?

Stevey Dowds because his song singing would drive everyone bonkers

Where do you see yourself in 10 years?

Dead

Finally who would you snog/marry/avoid in the team?

Snog Mark Edwards to pick up some tips

Marry GB because he can read me to sleep while feeding me Newcastle Brown Ales

Avoid Dowds/Watt for reminding me that "My name is Geeeeoffff"

Cheers Geoff*, good luck today!

The club are pleased to say that we are developing our sponsorship opportunities. This will include both the chance to advertise within the match day program and have your support shown upon the new club website. There will also be various other benefits available.

If you have any interest in finding out more and entering into discussions about what this sponsorship opportunity could look like for you we would very much welcome the conversation. Please make contact with Richard Smith at rsmith28@hotmail.co.uk

The first teams, individual players and the club as a whole highly appreciate any support in their collective ambitions to be one of the leading teams and clubs in the country.
