Teaching

Since 1985 I have been tutoring Creative Fibre members and others in tapestry and design both privately and in workshop situations. The workshops have been held in many regions and towns throughout the country. In 2015 I was asked to write a correspondence course in Tapestry and Design for Creative Fibre and I have been tutoring this course for two years now, with close to 40 students so far. I also tutor private drawing and tapestry classes.

Judging Experience

From 1986 through to 2015 I have judged exhibitions through New Zealand on behalf of Creative Fibre, quilting exhibitions, art awards and mixed media exhibitions.

Exhibition Design

I have been responsible for the design of five regional group exhibitions.
