Mary I: England's Catholic QueenThe lifestory of Mary I-daughter of Henry VIII and his Spanish wife, Catherine of Aragon-is often distilled to a few dramatic episodes: her victory over the attempted coup by Lady Jane Grey, the imprisonment of her half-sister Elizabeth, the bloody burning of Protestants, her short marriage to Philip of Spain. When two-year college administrators restrain scholarship and reflection as inappropriate for the real work of the institution they are in fact hindering the professionalization of their teaching force that is essential to institutional mission and student success. Practical Recommendations-End-of-chapter suggestions for quick reference, as well as recommendations integrated throughout. The text also takes a focus on practical ways in which teachers can determine the impact that public policy, advocacy, and science have on their lives in the classroom and the lives of students. With these competing concerns in mind, the authors evaluate proposals currently under discussion in Congress (S 1145 and HR 1908) and how they would affect biotechnological innovation and, in turn, the quality of our health care.
