From stadiums to scientific laboratories, playgrounds to health clubs, these

buildings carried the torch of Constructivism, mixed in with American Gothic, and central European Expressionism, creating slices of space age modern baroque that are now forgotten, faded and patched. This puzzle of styles testifies to all the ideological dreams of the period, from the obsession with the cosmos to the rebirth of identity. Many buildings are poorly repaired all the swimming pools are empty. May 27, Nick Chantarasak rated it it was amazing. Loading more items. There is also chaos at work, a chaos that predates the parametric wet dreams and CGI-inspired voluptuousness of so much modern design, depending instead on the slide rule and certainty of poured, hammered concrete and exotically abstract decoration. Reuse this content. You know the saying: There's no time like the present Much more complicated than what I had thought. Leaves you wanting to know more, much more. Just enough context and a healthy variety of subject, material, location and scale. Threads collapsed expanded unthreaded. In a nutshell In a nutshell. Nov 10, Justin Lynn rated it really liked it Shelves: nonfiction. Your personal details will not be shared with those companies - we send the emails and you can unsubscribe at any time. But equally, a broad public is waking up to their inventiveness and craftsmanship, irrespective of the repressive political state that spawned them. Mary Ellen rated it really liked it Dec 04, Refresh and try again. Nate Shellhorn rated it it was amazing Jun 27, Nov 29, Claudia rated it it was amazing Shelves: preferiti , saggistica , architettura. His CCCP collection research was carried out from to and published in The fact that so many of these interesting buildings have now themselves been left to decaying is a poignant commentary on the 'modern' states left in the wake of the Soviet collapse. To see what your friends thought of this book, please sign up. Great images of a much under documented subject. Savin and B. Jun 23, Tamsin rated it it was amazing. Cosmic Communist Constructions Photographed. The result is hulking, slabby and inhuman buildings. Lists with This Book. Friend Reviews. Because the Soviet society for which these buildings were constructed no longer exists, many of them are defunct and abandoned. In the vast post-Soviet world, with its diverse landscapes and uncertain, abandoned terrains, that transitional period lives on in vestiges such as these. Other Editions 1. Huge collections of photographs by Chaubin of numerous buildings across the former Soviet Union with an emphasis on concrete. Other editions. Taking advantage of the collapsing monolithic structure, the holes of the widening net, architects revisited all the chronological periods and styles, going back to the roots or freely innovating. James rated it really liked it Apr 01, Armenia Azerbaijan Georgia. This spectacular evocation of suffering and death was designed by the sculptor Alfonsas Ambraziunas in
