Nonfiction Cities Paperbacks Books. Trade Paperbacks. Urban Fiction Fiction Paperbacks Books. No one else writes like this man, and even when he sometimes co-authors a work with someone else, his voice comes through loud and clear. He is one of the most unique masters of Lovecraftian horror working right now. You could remove the author byline and I could tell you in a handful of lines if I was reading a Joe Pulver story. This story is classic Pulver, which means it grabs you early and holds onto to you until the very end, without ever slowing or loosening its grip. Add to this great collection of stories some topnotch production, such as each entry having an awesome black and white illustration as a cover piece done by Tom Kristensen. More books should go that extra mile and include such things. Well not much at all. Cthulhuheads need to get this collection. It is cold cosmic terror done right in the urban setting. In all ways it is a damn fine book and I look forward to the next amazing anthology editor Harksen does, although this will be one tough act to follow.

In a saga spanning four hundred years and two continents, Satan and his coven of witches are determined to reclaim the tortured community and establish a Hell on Earth. Facebook Twitter RSS. About the Author Latest Posts.

URBAN CTHULHU: NIGHTMARE CITIES | Horror World

Congratulations to Ted for the well-deserved recognition. Hey, thanks so much for this shout out, Matt. Thanks for the Unfilmable link, Ted, and congratulations on getting yet another prominent shout-out. This bodes well. Your email address will not be published. This site uses Akismet to reduce spam. Out of Print. Pre-release title. On Special. Firm Sale. Internationally Sourced. Nick: You have soft, supple skin. Everyone wins, here. Cover art c by Paul Carrick As of Tuesday, April 10th, you are now literally days away depending on shipping time to whatever far flung location you call home from consuming Urban Cthulhu: Nightmare Cities , edited by Henrik Sanbeck Harksen and published through his stellar imprint H. Harksen Productions , in the cozy comfort and relative safety of the six walls that surround you.

I've been anxiously awaiting this release for months, as I'm quite excited to share my story "The Screamer" with a wider audience. It's the longest piece I've ever written, and was the most grueling to construct and refine. Special thanks to my beloved Ives for the incredibly thorough editing she did on the tale, and for unlocking the ending that had been plaguing me for so long. I wouldn't have found "The Screamer" without her.

Check back through these past two blogs here and here to get further information and other pretty pictures, or better yet, click your happy ass over to Lulu. The Aklonomicon recently sold out of its first run, and I can foresee the same happening for this anticipated monster. Pulver, Sr. And here is the back cover blurb, for those who aren't keen to squint at the wraparound cover art above the next size up for the cover image nearly ate the top of my top : What lurks in the damp recesses of urban existence? These new tales of weird fiction are a blend of urban horror, pulp noir and dark fantasy. Lovecraftian horrors and Cthulhu Mythos monsters have never been this gritty.

Thanks for your interest in these publications:- I need to get the final things in place first, but yes, several of the books should come as ebooks later this year.

I pretty much switched to ebooks after I got my book as a gift. I subscribed to your blog, so I can keep track of that and about any new books. You are commenting using your WordPress.
