

## **Equipment and Toy Library (HS 11)**

KIDDZ Homebased Childcare will provide educators with equipment split into two categories:

### **1. Large Equipment**

- This consists of port-a-cots.
- These will be checked regularly for safety.

### **2. Toys**

- Equipment may be provided to meet a particular or individual need of a child in consultation between visiting teacher and educator and other significant agencies if appropriate.
- A catalogue of toys is available for educators to choose from, for an agreed time.
- A budget for purchasing all types of equipment will be included in the Annual Plan.
- Educators are responsible for reporting breakage and losses to the staff of the service.
- Educators are responsible for ensuring toys and equipment are clean when returned.
- A record will be kept of equipment given out.
