

3PL FULFILLMENT, SHIPPING, & WAREHOUSING

Strategic Lab Partners | 3PL FULFILLMENT, SHIPPING, & WAREHOUSING PROCESS

Strategic Lab Partners LLC (SLP) seamlessly guides clients from conceptual planning to final kitting assembly, kitting distribution, and return logistics. It is a trusted source for secure, streamlined, efficient clinical kitting and fulfillment services, and its commitment to excellence and innovation makes it a premier third-party logistics (3PL) choice in the industry.

ESTABLISH FULFILLMENT REQUIREMENTS –

Strategic Lab Partners emphasizes the need for a comprehensive presentation of fulfillment requirements to ensure distribution and return logistics efficiencies and reliability.

- How will orders be transmitted and confirmed
- What sourcing, store, inventory, warehousing, and logistics integrations are required
- Which files require a secure file transfer protocol (SFTP) with a portal
- Is a custom Integration necessary with a client's accounting
